### **Department Report**

**February 2, 2022** 

### Reports:

The winter 2022 adult ball season started on January 17<sup>th</sup> with a rainout, after that we have been rain free. We have a large turnout for winter; it is normally a slower season due to the weather (cold, wind, rain). Winter 2021 was 18 teams, this season we have 32. Monday women's 6, Tuesday men's 7, Thursday co-ed 10 and Sunday co-ed 9.

As you can see we are out of lighted field space for our community players and families. I have scheduled 118 teams these past few days for either games or practice. This includes BCVRPD, BYB, and rental fields. The city of Beaumont has offered 9<sup>th</sup> & Orange for the month of February. They will be ripping out that diamond out after Cherry Festival. It has no backstop or dugouts; it is all gone.. I will be able to get some teams a little bit of work there.

The calendar remains very slow due the lack of staff for tournaments. Hopefully we can get some help as it is a new year.

I would like to thank the Board of Directors, General Manager, and staff for their constant work for this district. I would like to thank the maintenance staff for the work they having been doing on the fields. The grass is green and is looking better. A lot of the little things are getting caught up.

### Other:

BYB practices have started on January 31, 2022 they are sitting at about 875 as of now and should finish out around 950 players. Opening day is March 5, 2022 please come and join the fun.
